We recommend you talk with your instructor, an advisor, and appropriate departments about your specific situation before withdrawing from any courses. To be considered a full-time undergraduate student you must be enrolled in 12 credit hours a semester. Dropping below 12 hours may affect the following:

  You should speak to a financial aid advisor about your specific situation. For scholarships, check individual requirements of each. Financial Aid and Scholarships, 50 Strong Hall, 785-864-4700.

- **Conditional Admit**
  If you were conditionally admitted to KU, you must meet requirements to maintain your admission. Speak with an advisor before dropping any courses. Undergraduate Advising Center, 126 Strong Hall, 785-864-2834.

- **Campus Housing**
  Talk with hall staff or The Department of Student Housing, 785-864-4560. Scholarship Hall - Students need a 2.5 GPA and 28 credit hours for the academic year.

- **Graduation Plan**
  Your plan to graduate in 4 years may be affected by dropping below 12 hours. Additionally, the tuition compact will expire for first-time freshmen after 4 years and you will be charged the standard rate. Speak with your academic advisor.

- **International Students**
  Most international students are required to be enrolled in a minimum of 12 hours each fall and spring semester. Contact ISSS, 2 Strong Hall, 785-864-3617.

  Athletes below 12 hours can NOT practice or compete. While you may keep your scholarship, eligibility is gone for that semester. Meet with your athletic counselor before dropping any courses.

- **Fraternity/Sorority**
  Each organization has their own policy regarding the number of hours members must maintain. You should notify your organization if you drop below 12 hours.
