**Due dates for spring 2014 tuition and fees:** For those students that have enrolled for the spring 2014 semester, the tuition bill will be produced January 21 and will be due February 15. Each month students are sent an email notification that bills are ready and may be viewed in Enroll and Pay. If students have set up authorized users and included an email address, those authorized users will receive the same notification. Instructions for students to establish an authorized user may be found on the Bursar’s website under Payment Options - [http://www.bursar.ku.edu/paying_for_ku/authorized_user.aspx](http://www.bursar.ku.edu/paying_for_ku/authorized_user.aspx) Authorized users can only review bills and make payments in Enroll and Pay. No other access is granted.

**1098-T:** The 1098-T fax form will be available in mid-January to students through Enroll and Pay. Receiving this form electronically is much quicker and easier than waiting for the form to be mailed in late January. Instructions can be found at: [http://www.bursar.ku.edu/tax_reporting/1098t.aspx](http://www.bursar.ku.edu/tax_reporting/1098t.aspx) (Authorized users do not have access to this form so you’ll want to talk with your student.)

Since KU reports the amount billed, the 1098-T for 2013 will not include the tuition and fees for spring 2014 since these charges will not be billed until January 21, 2014. These billed charges will be reflected on the 1098-T for 2014.
