

Who Is My Advisor?

Every student at KU is assigned to their very own academic advisor. Let's find out who yours is!

1. Go to ku.edu. Log into your MyKU portal using your online ID and password.
2. Within your My KU portal, select "My Progress" from the Academics drop-down menu.
3. Once in your My Progress window, select the Academics tab. (to the right)
4. You'll find lots of information here but most importantly your academic area and advisor will be listed.

If you're assigned to our office, it will say (**UAC Advisor**) next to the advisor's name! Head back to our main page and select the "Schedule an Appointment" button below this one. That will give you all the information you need to know about coming to see us!

Extra: If the academic area listed does not reflect what you are pursuing, update that in Strong Hall Room 109. It's called your Interest Code. That really helps us out!

Be sure to check out your advisor on our "People" page!
